35 USC 121 Election

Applicant hereby affirms the provisional 35 USC 121 election made by phone on 13 August 2004 to prosecute the invention of species 1 of Groups I, II, and III which is the embodiment of Figure 2A with the grip being a slip-on grip with the elements shaped as defined in Claim 6.

Applicant understands that Claims 4, 7-8, 11, and 14-16 are withdrawn from further consideration by Examiner until such time as one or more generic claims are allowed for which the above withdrawn claims depend.

Notice of Claims Not Considered by Examiner

It appears that Claims 17-19 of the subject original application were not considered by Examiner and not addressed in this initial Office Action. These claims were on page 15 of this application filed December 8, 2003 and also page 15 in my December 20, 2002 Provisional Application where they were numbered 16-18 (Claim 2 having been added). Applicant acknowledges that Claims 17 and 18 embodied in Figures 8 and 9, respectively, are not of the species 1 elected herein and will, therefore, be withdrawn until a generic claim, upon which they are dependent, is allowed.
